

The Journal OF THE *House of Representatives*

Number 16

Tuesday, March 23, 2010

The House was called to order by the Speaker at 9:00 a.m.

Prayer

The following prayer was offered by the Reverend Robin Gray of the Unitarian Universalist Church of Tallahassee, upon invitation of Rep. Rehwinkel Vasilinda:

Attend: we are in the midst of a holy universe. Let us give thanks for the wonders with which our lives abound. May we never take the earth for granted. May we be glad recipients of the blessings which have been ours up to this very day.

In this great hall, sacred life dwells, given shape and meaning by the men and women gathered here. May the sacred in us all fill our hearts with a longing for an ever more just society. May we attend not only to the glories of this world, but also to the loud lamentations of the vulnerable: the children denied loving homes, women raising children alone, hundreds upon hundreds of families and adults who have lost permanent homes and are abandoned to rude shelter, frail and elderly people who cannot provide for all their own needs. May the ears that hear such suffering ring with the wisdom of righteousness, giving their deliberations—this day and every day—urgency. May this legislature be gifted with the power to fashion a society given to mercy and shaped by justice. May we all—every one of us—refuse to turn a deaf ear to any who suffer, but always strive to hear their cries.

We pray that we will find in this day the eternal presence that lifts us up with strength for every task, and the heart of the world that inspires compassion for all. So may it be. Amen.

Explanation of SB 176

Rep. Renuart: Thank you, Mr. Speaker. Today, members, I stand before you to honor my predecessor and my mentor, former Representative Don Davis. I know many of you served alongside Don, and I know the House still echoes with the stories of his legendary actions. Most are actually true.

Don served this House from 2000 to his death in 2008. Don's legacy began even before he entered this House as he spent 12 years in Jacksonville City Council, twice being president of the Council. He was also very active in multiple organizations in our city. Don was also a combat veteran who served in the Korean War. But the highlight of Don's career here in the House was his support for the Florida film industry, and resulted in an incentive program that is still very active today—and it carries his name.

While this bill also honors Senator Jim King, we must also recognize that this bill honors our former member, Representative Don Davis. On April 10th, it'll be two years since we lost Don, but one thing that will not be lost are the lasting memories that he has left behind. It is only fitting that the largest interchange in our district will be named for Don Davis. It is my honor to urge each one of you to honor your colleague, and vote and support this bill. Thank you. [applause]

Rep. McBurney: Thank you, Mr. Speaker. And I am joined, behind me today, with my fellow Representatives from the Duval County Legislative Delegation who are joining me in this legislation.

This legislation establishes a portion of State Road 116 as the James E. ["Jim"] King, Jr., Parkway. Most of us knew Senator King as President of the Senate and a great member of that body, but he also served as Majority Leader of this body. He spent 21 very distinguished years in both the House and the Senate. He was Chairman of Appropriations and Fiscal Responsibility Council. He secured millions to revitalize, restore, and preserve the great St. Johns River; [he] enacted legislation to stimulate economic development through our ports; he was a leader for supporting biomedical research for treatment and cure related to tobacco use by creating the James E. and Esther King Biomedical Research Program; and he was a strong—as strong as there was—advocate for small business, including being Legislator of the Year, and consistently ranked as one of the top ten most effective legislators in Florida. He was much beloved, much beloved by all of us—not only of that body, but of this body over here—and we will miss him.

This bill also renames the intersection of State Road 9A and State Road 202 in Duval County as the Don Davis Memorial Interchange. As my colleague Representative Renuart said, he is a much-beloved member of this body who passed away two years ago. I had the opportunity of serving with him on many different civic organizations; I was very honored to have served with him in the Florida House. He was Chairman of Economic Development, Chairman of Urban and Local Affairs; and as Representative Renuart mentioned, he passed the Don Davis Entertainment Industry Economic Development Act, which was signed on the floor of this body. He was—prior to the legislature, he served on the Jacksonville City Council as president of that body. He was key to bringing the Jaguars to Jacksonville, and he was a prominent leader in our community.

Mr. Speaker, this legislation also renames a portion of Interstate 295 and State Road 9A in Duval County as the Hans G. Tanzler, Jr., [Interstate]. This recognizes the first mayor of the consolidated City of Jacksonville, elected to clean up the city fraught with corruption and our schools being discredited at that time. He's a former judge; he established [credibility] and a strict code of ethics in professional management for our city. He worked to clean the St. Johns River by closing 77 untreated outfalls into the river, and famously celebrated this accomplishment by water skiing on the St. Johns River accompanied by representatives from Cypress Gardens. He revitalized

downtown Jacksonville while it changed the skyline. Mr. Speaker, I urge adoption of this legislation.
